No. 19-30088 DM

Creditor A.J. EXCAVATION INC., ("AJ"), by and through its undersigned counsel, hereby  
files this notice of perfection, maintenance, and continuation of perfection of its mechanics' lien  
against the Debtors, PG&E Corporation and Pacific Gas and Electric Company ("Debtors") pursuant  
to 11 U.S.C. sections 362(b)(3) and 546(b) ("Notice"). In support of this Notice, AJ represents the  
following:

1. AJ is organized as a California corporation, in the business of performing earthwork,  
grading, paving, foundation, fencing, excavation, maintenance and/or other related construction

1 services, with its principal place of business at 514 North Brawley Avenue, Fresno, California 93706.

2 2. Debtor Pacific Gas & Electric Company (hereinafter "PG&E") contracted AJ to  
3 provide earthwork, grading, paving, foundation, fencing, excavation, maintenance, and/or other  
4 related construction services for the improvement of certain real property owed, or reputed to be  
5 owned, by PG&E, as provided more fully in the prepetition contract (Long Form) (hereinafter  
6 "Contract") . The real property is located at the following address, along with the contract number,  
7 more commonly known as:

8 **Metcalf-Evergreen Substation**  
9 **150 Metcalf Road, San Jose, CA 95138**  
10 **Contract #10185**

(hereinafter "Real Property").

11 3. Prior to the bankruptcy petition, AJ furnished such labor, materials, equipment, and/or  
12 supervision for the earthwork, grading, paving, foundation, fencing, excavation, and other related  
13 construction services for the improvement of the Real Property in accordance with the scope of work  
14 contained in the Contract, and as amended by applicable work change orders.

15 4. The principal sum, exclusive of interest and other charges, that is currently due and  
16 owing to AJ for the labor and materials provided to the PG&E pursuant to the Contract is:

17 **\$1,430,199.25**

18 5. Bankruptcy Code, 11 U.S.C. section 362(b)(3), provides that:

19 The filing of a petition under section 301, 302, or 303 of this  
20 title...does not operate a stay... under subsection (a) of this section,  
21 of any act to perfect, or to maintain or continue the perfection of, an  
22 interest in property to the extent that the trustee's rights and powers  
23 are subject to perfection under Section 546(b) of this title or to the  
24 extent that such act is accomplished within the period provide under  
25 section 547(e)(2)(A) of this title. 11 U.S.C. § 362(b)(3).

26 6. Bankruptcy Code, 11 U.S.C. section 546(b), provides that:

27 (1) The rights and powers of a trustee under sections 544, 545, and  
28 549 of this title are subject to any generally applicable law that-

(A) permits perfection of an interest in property to be  
effective against an entity that acquires rights in such property  
before the date of perfection; or

(B) provides for the maintenance or continuation of perfection  
of an interest in property to be effective against an entity that

1 acquire rights in such property before the date on which  
2 action is taken to effect such maintenance or continuation.

(2) If –

3 (A) a law described in paragraph (1) requires seizure of such  
4 property or commencement of an action to accomplish such  
5 perfection, or maintenance or continuation of perfection of an  
6 interest in property; and

7 (B) such property has not been seized or such an action has  
8 not been commenced before the date of the filing of the  
9 petition;

10 such interest in such property shall be perfected, or perfection of such  
11 interest shall be maintained or continued, by giving notice within the  
12 time fixed by such law for such seizure or such commencement. 11  
13 U.S.C. § 546(b).

14 7. Pursuant to California Mechanic's Lien law, a claimant must commence an action to  
15 enforce a lien within 90 days after recordation of the claim of lien. Cal. Civ. Code § 8460(a). Because  
16 the Debtors filed their Chapter 11 petition for bankruptcy on January 29, 2019, it created an automatic  
17 stay of all actions, including a claimant's action to enforce a lien. Thus, AJ was prevented from  
18 commencing an action to enforce its liens against the Debtors and perfect its mechanic's liens under  
19 the law.

20 8. Accordingly, AJ hereby gives this notice in lieu of the commencement of any action to  
21 perfect, maintain, or otherwise preserve its mechanics' liens pursuant to 11 U.S.C. § 546(b) and  
22 California Civil Code sections 8460(a), including the recording of a claim of lien, the commencement  
23 of action to enforce the Mechanics' Liens, the filing of a Pendency of Action, and/or the service of  
24 notice on purchasers of production on the Real Property ("Mechanics' Lien"). A true and correct copy  
25 of the Mechanics' Lien is attached hereto as Exhibit "A" and incorporated by reference.

26 9. AJ hereby gives notice it intends to enforce its rights under the Mechanics' Lien to the  
27 fullest extent allowed under the law. This Notice shall not be construed as an admission that such  
28 filing is required or to the necessity of recording, commencement, or seizure. In addition, AJ hereby  
gives notice that it has, or may be entitled to, additional mechanics' liens rights to properties owned  
by the Debtors as they become due and owing according to prepetition contracts with the Debtors for  
the improvement of real property. This Notice shall preserve and continue to preserve any and all of  
AJ's rights as to the Mechanics' Liens and Bankruptcy Code.

1           10.     AJ reserves the right to amend, supplement, or otherwise modify this Notice and  
2 reserves any and all rights entitled to it under the applicable law.

## NOTICE OF MECHANICS' LIEN ATTENTION!

Upon the recording of the enclosed MECHANICS' LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. The party identified in the mechanics' lien may have provided labor or materials for improvements to your property and may not have been paid for those items. You are receiving this notice because it is a required step in filing a mechanics' lien foreclosure action against your property.
